Aadhya Menon

Academic year 2026-27 | Term 1 | Level G2

ISSUED

Teacher Observations

During a picture-sequencing activity, Aadhya arranged four events correctly and retold the story in her own words. She needed one prompt to wait while a classmate spoke.

Physical Development

Aadhya balanced across the low beam independently and used scissors with improving control. She still changes grip when a cutting task lasts more than a few minutes.

Socio Emotional Development

She invited a new classmate into the block-play group and helped agree on roles. When the tower fell, she was briefly upset but returned after a calm reminder.

Cognitive Development

She grouped classroom objects by shape and then found a second way to group them by use. She explained both choices clearly.

Language Literacy

Aadhya reads familiar short sentences with confidence and uses picture clues for new words. Blended consonant sounds still need guided practice.

Aesthetic Cultural Development

In the festival collage, she chose colours deliberately and described the family tradition shown in her work.

Student Reflection

“I liked making the story cards because I could change the ending. I want to read the long words without help.”

Parent Reflection

“She now chooses a book before bedtime and tells us what might happen next. At home she is practising taking turns with her younger cousin.”
